Newtonville, Mass.
November 29, 1954

My dear Brother:

The Garden City Masonic Club will meet at the Masonic Temple, Newtonville, on Thursday, Dec. 9th.

Dinner will be served to those, and only to those who have made reservations. Price: $ 2.20. If you cannot come to the dinner, we hope that you will come to the meeting anyway.

At eight o'clock, Garden City Lodge will be instituted by Right Worshipful Charles F. Giles, District Deputy Grand Master of the Waltham Fifth Masonic District. Charter members may be asked to participate to a small extent in the institution ceremonies, so it is hoped that every charter member will be present.

We shall have as our guests the Masters of the Lodges in the Fifth District, as well as many others.

Fraternally yours,

Thomas G. Walters

hold a special meeting on the same day on which the Lodge of Instruction of its District has been scheduled to meet without dispensation of the Grand Master.

This provision was inserted in the 1953 revision of our Grand Constitutions, and it has come to my attention on two separate occasions recently that Masters of the Lodges are not yet fully aware of the fact that this provision is now a part of our statutory law.

New Lodges

On Saint Andrew's Day, November 30, I signed a dispensation for a new Lodge, to be known as Garden City Lodge, in Newton. The dispensation will be delivered and the Lodge instituted tomorrow evening by Right Worshipful Charles F. Giles, District Deputy Grand Master for the Waltham Fifth District, to which District I have assigned this Lodge. This will be a so-called class Lodge, because it will be composed largely of members of the Hebrew faith. The Brethren of this new Lodge have requested three Past Masters of other Lodges in Newton to act as their first three officers, in the belief that by so doing the Lodge may be assured that its standard of work and its customs and traditions will be established on a basis comparable to the other Lodges in Newton. All of the charter members of this Lodge are residents of Newton, and the sincerity and enthusiasm with which they are undertaking the formation of this new Lodge, the care with which they are planning every detail, and the jealousy with which they are guarding the good name of the Lodge give ample assurance that it will be one of which I may be justly proud.

I am particularly grateful to the Trustees of the Newton Masonic Associates and to the other Masonic bodies which meet in the Newton Masonic Temple for their willingness to allocate two nights a month for this Lodge despite the fact that by so doing they are taxing the already crowded schedule of the Temple to the straining point.

comes into being, particularly in a community where there is no other Lodge.

State of the Craft

You may recall that at the December Quarterly Communication I reported to you that an unofficial tabulation of our membership as of August 31, 1954, indicated that we had at long last recovered the losses which had been sustained during the 1930's and that our membership now stands at an all-time high. The alphabetical list, so-called, which has just been published for 1955, no longer carries the abstract of the returns, but the official returns have been tabulated and will appear as usual in the Grand Lodge Proceedings for 1954 which are in the process of preparation at this time.

The official tabulation will show a total membership on August 31, 1954, of 126,646. The figure includes the membership of the seven Lodges in the Canal Zone, totaling 3,861, also the membership in the three Lodges in Chile, totaling 251, and the membership of the five Lodges in China, totaling 428. All the China Lodges are in recess except Sinim Lodge, which is working in Tokyo.

Since I became Grand Master over a year ago I have signed dispensations for the institution of four Lodges: namely, Realty Lodge in Boston, Nantascot Lodge in Hull, Garden City Lodge in Newton, and Simonds Lodge in Burlington. The report of the Committee on Charters and By-Laws will contain their recommendations on the issuance of a Charter to Realty Lodge. If Grand Lodge votes to issue this Charter, the Lodge will be constituted on March 29.

The Committee will also report their recommendation with regard to a Charter for Nantascot Lodge. No date has been set for the constitution of this Lodge, however, because during the period in which they have been acting under dispensation, they have acquired a building which is to be remodeled into a Masonic Temple, and this Lodge may wish to delay their

PETITION

FOR

DISPENSATION

To the Grand Master of Masons in Massachusetts;

We, the undersigned, being Master Masons in good standing, and having the prosperity of the Craft at heart, are anxious to exert our best endeavors to promote and diffuse the genuine principles of Freemasonry; and, for the convenience of our respective dwellings and other good reasons, we are desirous of forming a new Lodge to be named .

We, therefore, respectfully pray for a Dispensation empowering us to meet as a regular Lodge at on the of every month, and there to discharge the duties of Freemasonry in a constitutional manner, according to the forms of the Order and the Laws of the Grand Lodge; and we have nominated and do recommend Brother to be the first Master, Brother to be the first Senior Warden, and Brother to be the first Junior Warden of the said Lodge. The prayer of this petition being granted, we promise strict obedience to the commands of the Grand Master and the laws and regulations of the Grand Lodge.

R.W. Thomas G. Walters, Master
Garden City Lodge U.D.
West Newton 65, Mass.

Dear Tom:

I am sending to you this official notice that Grand Lodge yesterday voted a charter to Garden City Lodge and the constitution of your Lodge will of course take place at the Grand Master's pleasure. It is my understanding that this constitution ceremony will be held Thursday, October 13. Until that time, Garden City Lodge will continue to function under dispensation.

As I advised you informally, and as you yourself probably heard in yesterday's meeting, several amendments were made in the by-laws submitted. A certified copy of the by-laws as they were approved will be prepared in course of time; but in the meantime, I could give you a general idea as to what changes were made.

1. Since the annual business meeting of a Lodge cannot be held before the middle of September, your annual business meeting will take place in October rather than in September.

2. Since the Finance Committee cannot properly perform both functions of approving bills and the superintending of the audit, provision has been made for the election by the Lodge in June of one or more qualified auditors to make the necessary audit after the close of the fiscal year in time for your annual business meeting. The functions of the Auditing Committee are included in a new Section 3 in Article V.

3. The present standard of any provision for automatic life membership is the age of seventy and paid dues for at least thirty years, not necessarily consecutive. The important thing is that automatic life membership or exemption from dues or differentiation in dues has to apply equally to all members of the Lodge with/dis-/out crimination, except in the case of a few specific officers such as

Charter Granted to Garden City Lodge

The Committee on Charters and By-Laws presented the following report:

To the Most Worshipful Grand Master, Wardens and Members of Grand Lodge:

Garden City Lodge, located in Newton, and now working under dispensation dated November 30, 1954, has applied to the Grand Lodge for a charter and has submitted its records and a Code of By-Laws for approval.

The Committee on Charters and By-Laws have carefully examined the same and find the financial statement and the minutes complete and satisfactory.

The Code of By-Laws has been carefully prepared, but some sections have been amended or deleted by the Committee in order to comply with Grand Lodge regulations.

The Committee recommends that the prayer of the petitioners be granted, a charter issued, and Garden City Lodge be authorized to work under dispensation until such time as the Lodge shall be constituted.

The Grand Lodge was opened in Ample Form in a convenient apartment in the Masonic Temple in Newtonville at eight o'clock, prayer being offered by Worshipful and Reverend Paul B. At the conclusion of the ceremony, the Grand Officers retired and the Grand Lodge was closed in Ample Form at ten minutes after ten o'clock, prayer being offered by Right Worshipful and Reverend Francis D. Taylor, Grand Chaplain.

It is your DUTY to notify the Master or Secretary or Chairman of the Service Committee of any illness or distress among the Brethren or their families.

As a new Lodge we have many important and difficult tasks ahead of us. Perhaps our most immediate need is to get to KNOW each other, so that we may more quickly be welded together in a true Masonic Brotherhood. It is the hope of your Master that each of you will make an effort to be present at every meeting that you may become acquainted with every member of Garden City Lodge.

All brothers who have not signed the by-laws signature sheet are requested to do so at the meeting.
